Spring has sprung at KSPC!

Welcome Spring!! I know we are all ready for sunny, warm days after the winter we had. Spring always brings about a burst of new energy and many exciting activities, especially here at the preschool. All of the special event dates have been put out in our weekly emails and your teachers have sent a paper copy home with March calendars. You can also view dates on our website school calendar. Be sure to read carefully because we have planned a Spring filled with fun activities that will surely create lasting memories for you and your child!

GARDEN FIELD TRIP

5.18 LAST DAY OF SCHOOL

5.20 NEW STUDENT ORIENTATION

KENNETT PRESCHOOL

A MESSAGE FROM OUR DIRECTOR

March was FILLED WITH FUN!! We kicked off the month of March by celebrating one of children's most beloved authors with fun "Seuss-a-riffic" activities! Our children spent the week creating Dr. Seuss projects, playing rhyming games, eating and making special snacks and hearing Dr. Seuss stories. The children were very excited to have a story read by KSPC's very own Cat in the Hat! KEEP READING AND RHYMING WITH YOUR CHILD because this is such an important way to lay the foundation for them to be life-long readers!!

Thank you to all who were able to support our fundraisers in March! We know the rain made it hard for some families to get out that evening, so we appreciate the effort of those who joined us. Family Night at The Market at Liberty Place is always a fun time for our students, families and staff. It is a great way to get out of the house, socialize with our KSPC family and have an opportunity to take a night off of cooking! If you missed this one, no worries because we will do another on May 5th!

The month of March was a great time to learn about the wind. The favorite activity was getting to fly our school kite, playing with pinwheels and other wind-related activities! Our students enjoyed celebrating St. Patrick's Day during March. They learned about rainbows, playing fun St. Patrick's Day games to reinforce our literacy and math skills, singing St. Patrick's Day songs, having special St. Patrick's Day snacks and listening to St. Patrick's Day poems and books. The highlight of the day was hunting for the pot of gold and getting a gold coin to take home!

We wrapped up the month of March with our annual Spring parties and egg hunts! We enjoyed so many fun Spring activities and projects and there will be many more to come! The activity fee that was collected at the beginning of the year is being used to fund all of our fun activities and parties. We could not do what we do without your support.

KENNETT PRESCHOOL

A MESSAGE FROM OUR DIRECTOR

APRIL
2026

WOW! Our KSPC staff has been overwhelmed with the love and support you all have given to us this year and especially during Teacher Appreciation Week!! A big shout out to Katie Cangi for organizing this! Once again, our families have gone above and beyond to make us feel loved. Thank you, KSPC Parents, for every kind act you do to make us feel appreciated all year long!

Thank you for taking the time to come to Parent-Teacher Conferences. We hope you found this information to be very valuable. Our philosophy is educating the whole child. Therefore, our curriculum is broken into 3 stages of development: social/emotional, intellectual and physical. Our curriculum follows the PA State Standards and every year the surrounding school districts tell us how well prepared our students are for kindergarten. The area of development the kindergarten teachers appreciate most from our students is the social and emotional. We like to say “we are laying a solid foundation” for our students to build a strong education upon.

Please know that each day your child is here they are working on developing and mastering these skills through fun, developmentally appropriate activities and lessons which will prepare them for kindergarten. The specific skills we are working on for each month are always found on your monthly calendar that is sent home by your teachers. It is important for parents to also help reinforce these skills we are teaching.

We started April with one of my very favorite units here at KSPC is our Plants and Seeds Unit. Each Spring all of our students experience “being farmers” who plant and care for seeds and bulbs. The students get SO excited to come in each day and see how much their plants have grown! The best part of this learning experience is taking a field trip to Anson B. Nixon Park’s Community Garden and planting what we have grown! On your child’s planting day all classes will meet at Anson B. Nixon Park to plant what they have grown and then enjoy the park with their friends!
PARENTS, PLEASE COME READY TO GET DIRTY WITH YOUR CHILDREN!!

KENNETT PRESCHOOL

A MESSAGE FROM OUR DIRECTOR

It makes for a very meaningful learning experience, which is our main goal here at KSPC! One of the best parts of this experience is that everything picked from our garden is donated to the Kennett Food Cupboard so families may have fresh vegetables. We are very grateful to have this wonderful partnership with Anson B. Nixon's Community Garden and the Kennett Food Cupboard! We are also VERY GRATEFUL to Christine Denno (former KSPC parent) for all of her time and effort to make this happen for SO MANY YEARS. More details about this event will be coming later this spring!

Do you remember the KSPC Children's Consignment Sale? This was always a favorite, so we are bringing it back with a new, fresh approach! PLEASE join us on Saturday, April 18th (8-12) here in the KSPC parking lot for a LARGE SALE! We will have everything from household items, to toys, clothing and more! Come to shop or to sell. Information has been put out and can be found in our weekly blasts and on our website! PLEASE SPREAD THE WORD!!

May will bring about many end of the year events for your child and you to enjoy. A calendar with details about these events was sent home in early March, but we have included the dates in our Friday email blasts. If you have questions, please see me or talk to your teacher.

Spring is a busy time, but SUCH A FUN TIME for our preschoolers! We are so fortunate to have our school community and to be able to do the things we do here at KSPC! Please take time to enjoy your children and their spring activities. It is all about making memories that will last with you and your children!

Sincerely,

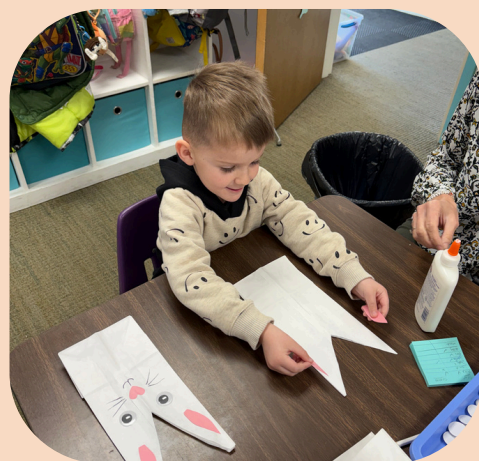

Jen Augustine

KENNETT PRESCHOOL

AROUND OUR SCHOOL

Mrs. Augustine, Mrs. Augustine, what do you see?

I see SO MANY WONDERFUL THINGS GOING ON AROUND ME!!

KENNETT PRESCHOOL

KIDS CORNER- WHAT DOES MRS. DOHERTY'S CLASS LIKE TO DO IN THE SPRING?

APRIL
2026

Laila: Play with my chalk
Georgie: Go fishing
Nico: Play outside
Payton: Ride my bike
Miles: Ride my 4 Wheeler
Allie: Take a walk + ride my scooter
Brodie: Ride my quad

KENNETT PRESCHOOL

VOLUNTEER SPOTLIGHT

Our cooperative spirit is one of the things that makes our school so special! We could not run our school without participation from our fabulous volunteers! This month we would like to say thank you to AN ALUMNI STUDENT, Jocelyn Hedrick!

Volunteering is a core value we try to teach our students, so there is nothing better than when our former students reach out and offer their time. Thank you, Jocelyn, for reaching out to volunteer at our KSPC Valentine's Dance! It means so much to have former students understand the value of volunteering and give the gift of their time.

KENNETT PRESCHOOL

SPRINGTIME FUN AT KSPC!
